Provider Resources

Tools

- **Opioid Risk Tool** – Questionnaire to assess risk of opioid addiction
- **SBIRT Toolkit** – A step-by-step guide for screening and intervening for unhealthy alcohol and other drug use
- **CRAFFT Screening Tool** – A short assessment tool designed to screen for substance-related issues and problems in adolescents
- **NarxCheck Scores Explanation** – Analyzes controlled substance data from PDMPs
- **Collaborative Assessment and Management of Suicidality** – Suicide risk assessment and prevention training framework
- **Columbia-Suicide Severity Rating Scale (C-SSRS)** – Supports suicide risk assessment through plain-language questions
- **Provider Toolkit** - Developed by the Idaho Opioid Misuse and Overdose Strategic Planning Group, the toolkit provides Idaho-specific data as well as tips and tools for the Idaho PMP, prescribing naloxone, MME calculations and more
- **Opioid Patient Counseling Guide** – A medication guide you can provide to patients receiving an opioid prescription
  - You can order hardcopies of the document here.
- **PEG Pain Screening Tool** – A three item scale assessing pain intensity
- **Screen and Opioid Assessment for Patients with Pain (SOAPP)** – A tool to help clinicians determine how much monitoring a patient on long-term opioid therapy might require
- **DIRE Questionnaire** – Patient selection for chronic opioid analgesia
- **Pain Medication Questionnaire** – A 26 self-assessment questionnaire to help patients assess the risk of opioid medication misuse among chronic pain patients
- **Current Opioid Misuse Measure (COMM)** – A brief patient self-assessment to monitor chronic pain patients on opioid therapy
- **Prescription Drug Use Questionnaire (PDUQ)** – A tool to help clinicians identify the presence of opioid use or dependence in chronic pain patients
- **Cut Down, Annoyed, Guilty, Eye-Opener tool, Adapted to Include Drugs (CAGE-AID)** – Conjointly screen for alcohol and drug problems
• **Relax, Alone, Friends, Family, Trouble tool (RAFFT)** – A five question survey to assess a patient’s alcohol and drug use
• **Drug Abuse Screening Test (DAST)** – A 28-item self-report sensitive screening instrument for the abuse of drugs other than alcohol
• **Alcohol Use Disorders Identification Test (AUDIT)** – a 10-item screener to assess alcohol consumption, drinking behaviors, and alcohol-related problems

**Groups, Workshops, and Conferences**

• **Behavioral Health Groups** – Boise VAMC’s guide to behavioral health groups and workshops
• **Mountain West Child Life Association** – Provides educational and networking opportunities for Child Life professionals and programs
• **Harm Reduction Coalition** – Working group of needle exchange providers and advocates
• **Northern Idaho Conference on Alcohol and Drug Dependency** – October 11 and 12, 2019 in Coeur d’Alene, ID
• **Idaho Neuroscience of Addiction Coalition** – September 16-18, 2019 in Boise, ID

**Videos and Webinars**

• **Rural Health Clinic Technical Assistance Series** – Timely and useful information on operation and policy issues specific to Rural Health Clinics
• **Addiction Neuroscience 101** – Overview of the neurobiology of addiction
• **Naloxone Use** - How and when to administer naloxone
• **Injectable Naloxone Instructions** – How to use injectable naloxone
• **Nasal Naloxone Instructions** – How to use nasal naloxone
• **Unpacking the 3 Minute Breathing Space** – A breakdown of the 3 Minute Breathing Space
• **Chronic State Documentary** - A video on how marijuana normalization impacts communities
• **Caring for Pregnant and Breastfeeding Women with Opioid Use Disorder** – Webinar on June 11, 2019 at 10 am MT
Guidelines and Information

- **CDC Factsheet and Guidelines** – Guidelines for prescribing opioids for chronic pain
- **CDC Opioid Guideline Mobile App** – Designed to help providers apply the recommendations of CDC’s Guideline for Prescribing Opioids for Chronic Pain into clinical practice
- **Drug Overdose Prevention Program** – Information through the Idaho Department of Health and Welfare for first responders, providers, and patients
- **DEA Diversion** – Prevent, detect, and investigate the diversion of controlled pharmaceuticals from legitimate sources
- **Stop Drug Abuse Informational Website** – Educate families and the community about prescription drugs and potential consequences of misusing them
- **Board of Medicine Complaint Form** – File a complaint with the Board of Medicine
- **Board of Pharmacy Complaint Form** – File a complaint with the Board of Pharmacy
- **Qualis Health Medicare** – Compilation of resources for appropriate opioid prescribing
- **Idaho Syringe and Needle Exchange Legislation** – Legislative language of the Syringe and Needle Exchange Act
- **Idaho Good Samaritan Legislation** – Legislative language of Good Samaritans
- **Ethyl Glucuronide Test** – Using ethyl glucuronide in urine to detect light and heavy drinking
- **Buprenorphine Practitioner Verification for Pharmacists** – SAMSHA’s website to verify a practitioner’s DATA waiver using the last name and DEA registration number
- **Controlled Substance Public Disposal Locations** – The DEA website for public disposal locations
- **FDA Approved Drug Products** – Check to see if a drug is approved by the FDA
- **FDA Safety Information and Adverse Event Report** – Form to complete for the voluntary reporting of adverse events, product problems, and product use errors
Articles and Other Resources

- **Opioid Metabolism and Effects on Cytochrome P450** – This review focuses on the effect of the CYP450 enzyme system metabolism on opioid agents
- **Opiate Metabolism Flow Chart** – Details the metabolism of opioids to aid in the interpretation of toxicology testing results
- **Opioid Metabolism** – This review describes the basics of opioid metabolism as well as influencing factors
- **Use of Low-Dose Naltrexone for Chronic Pain** – A review on low-dose naltrexone as an anti-inflammatory agent
- **Buprenorphine Myths and Realities** – New England Journal of Medicine article on buprenorphine
- **Improving the Quality of Buprenorphine Treatment** – New England Journal of Medicine article on moving addiction care to the mainstream
- **Harm Reduction Suboxone Education Handout** – Harm reduction and caring for patients with substance use disorder
- **Addiction Treatment Program** – A slideshow presentation on the Addiction Treatment Program from Dr. Lofgran at North Canyon Medical Center
- **CAPT Resources to Prevent the Non-Medical Use of Prescription Drugs** – SAMHSA handout on the Center for the Application of Prevention Technologies’ resources
- **Enhancing Motivation for Change in Substance Abuse Treatment** – A Treatment Improvement Protocol (TIP) by SAMSHA on motivational interviewing
- **Center for Evidence-Based Practices** – “Technical assistance for service innovations that improve quality of life and other outcomes for people with mental illness or co-occurring mental illness and substance use disorders”
- **Shatterproof** – A national nonprofit organization dedicated to ending the devastation of addiction
- **Timer Cap** – A pill bottle with a digital timer on the cap that shows the amount of time it’s been since you’ve last taken your pills
- **The ATMAN Approach to Managing Chronic Non-Cancer Pain without Opioids and Tramadol in Older Adults** – A look at managing chronic non-cancer pain without opioids
- **Prescribe to Prevent** – Information on how to start prescribing and dispensing naloxone
• **Naloxone Brochures** – Free informational booklets and brochures on prescribing naloxone

• **Washington PMP** – Check the Washington State Prescription Monitoring Program (not currently integrated into the PDMP)

• **Idaho Board of Medicine Policy for the Use of Opioid Analgesics in the Treatment of Chronic Pain** – Describes the Idaho Board of Medicine’s position on the use of controlled substances for pain, particularly opioid analgesics

• **Curriculum Infusion Package on Opioid Use Disorders** – Used for infusing OUD content into related curricula

• **Prescription Opioid Addiction Treatment Study (POATS) Training Materials** – Package of tools and training resources for substance use disorders treatment providers

• **Opioid Overdose Prevention Flyer** – Printable flyer created by the Boise Police Department that includes information on Narcan and the Good Samaritan Law
  ○ **Flyer is also available in Spanish**

• **Idaho Recovery Centers** – Find peer-based recovery support services

---

**Books**

• **Motivational Interviewing: Helping People Change** – A book for professionals and students on the four processes of motivational interviewing

• **Dreamland: The True Tale of America’s Opiate Epidemic Book** – A nonfiction book that looks into opiate use in America

• **The Deepest Well: Healing the Long-Term Effects of Childhood Adversity** – A book that looks at the negative impact of childhood trauma on the body

• **The Fifteen Minute Hour: Therapeutic Talk in Primary Care** – Family doctors can solve and prevent many psychological and behavioral problems by incorporating therapeutic talk into daily practice

---

**Funding and Opportunities**

• **MAT Grant for PAs 2019** – Eight, $1,200 stipends are available through the ISU PA program to incentivize community providers to obtain their MAT waiver

• **HRSA/BHW Loan Repayment for Providers in Rural Communities** – Up to $100,000 in Loan Repayment for Rural Substance Use Disorder Clinicians; accepting applications through 7/18/19
Naloxone Mini-Grant Program – The Office of Drug Policy is offering this mini-grant program to help first responders and eligible agencies purchase and distribute naloxone kits.

Questions from ECHO

- Prescribing Opioids to Commercial Vehicle Drivers – A Board of Medicine perspective on “What are the legal implications for a provider knowingly prescribing hydrocodone for an individual who drives a commercial vehicle?”
- A Physician Seeking Opioid Use Disorder Help – A Board of Medicine perspective on “If the patient seeking care for their opioid use disorder is another physician, are there reporting requirements to the Idaho BOM?”
- PAs and Supervising Physicians Obtaining MAT Waivers – A Board of Medicine perspective on “If a PA has gotten their MAT waiver, does their supervising physician also need a MAT waiver in order to supervise them?”
- What gives pharmacists the ability to prescribe naloxone? – Idaho statute 54-1733B passed in 2015 allows “any health professional licensed...[to] prescribe and dispense an opioid antagonist.”

Patient Resources

Find a Provider

- Idaho Licensed Substance Use Providers – Find a substance use disorder or behavioral health treatment program
- Idaho Recovery Centers – Find peer-based recovery support services
- Opioid Dependence – Find a healthcare provider who is waivered to treat opioid dependence with Suboxone
- Buprenorphine Practitioner Locator – Find practitioners authorized to treat opioid dependency with buprenorphine
- Health Centers – Find a health center near you
- Get Help – Find treatment and support through the Health and Welfare website
- Certification Matters – Find out if a doctor is board certified
Medication Information

- **GoodRx** – Compare medication prices and discounts from over 60,000 US pharmacies
- **Suboxone Savings Card** – Eligible patients using insurance may pay as little as $5 each month for Suboxone film
- **Patient Medication Assistance Programs from Allergan** – Provides certain products to patients unable to afford the cost of their medication
- **Medication Risk in Pregnancy** – Resources for learning more about medication use during pregnancy
- **Naloxone Information** – Learn about naloxone, an opioid overdose reversal medication
- **Naloxone Use** - How and when to administer naloxone
- **Injectable Naloxone Instructions** – How to use injectable naloxone
- **Nasal Naloxone Instructions** – How to use nasal naloxone
- **Controlled Substance Public Disposal Locations** – The DEA website for public disposal locations
- **Disposal of Unused Medicines** – The FDA website about safely disposing medicines
- **FDA Approved Drug Products** – Check to see if a drug is approved by the FDA
- **Medicines Recommended for Disposal by Flushing** – A list of FDA-approved medications that can be disposed of through flushing
- **Timer Cap** – A pill bottle with a digital timer on the cap that shows the amount of time it’s been since you’ve last taken your pills
- **Opioid Counseling Guide** – A medication guide to help you understand your opioid prescription

Self-Assessment Tools

- **DIRE Questionnaire** – Patient selection for chronic opioid analgesia (inability to feel pain)
- **Pain Medication Questionnaire** – A 26 self-assessment questionnaire to help you assess the risk of opioid medication misuse

Self-Management Resources

- **Mindfulness-Based Stress Reduction** – A free online mindfulness-based stress reduction course
- **Leisure Resource Manual** – Find a variety of leisure options all over the state of Idaho
- **Self-Management Resource Center** – Interactive programs focusing on building skills, sharing experiences, and providing support
