Provider Resources

Tools

- **Opioid Risk Tool** – Questionnaire to assess risk of opioid addiction
- **SBIRT Toolkit** – A step-by-step guide for screening and intervening for unhealthy alcohol and other drug use
- **CRAFFT Screening Tool** – A short assessment tool designed to screen for substance-related issues and problems in adolescents
- **NarxCheck Scores Explanation** – Analyzes controlled substance data from PDMPs
- **Collaborative Assessment and Management of Suicidality** – Suicide risk assessment and prevention training framework
- **Columbia-Suicide Severity Rating Scale (C-SSRS)** – Supports suicide risk assessment through plain-language questions
- **Provider Toolkit** - Developed by the Idaho Opioid Misuse and Overdose Strategic Planning Group, the toolkit provides Idaho-specific data as well as tips and tools for the Idaho PMP, prescribing naloxone, MME calculations and more
- **Opioid Patient Counseling Guide** – A medication guide you can provide to patients receiving an opioid prescription
  - You can order hardcopies of the document [here](#).
- **PEG Pain Screening Tool** – A three item scale assessing pain intensity
- **Screen and Opioid Assessment for Patients with Pain (SOAPP)** – A tool to help clinicians determine how much monitoring a patient on long-term opioid therapy might require
- **DIRE Questionnaire** – Patient selection for chronic opioid analgesia
- **Pain Medication Questionnaire** – A 26 self-assessment questionnaire to help patients assess the risk of opioid medication misuse among chronic pain patients
- **Current Opioid Misuse Measure (COMM)** – A brief patient self-assessment to monitor chronic pain patients on opioid therapy
- **Prescription Drug Use Questionnaire (PDUQ)** – A tool to help clinicians identify the presence of opioid use or dependence in chronic pain patients
- **Cut Down, Annoyed, Guilty, Eye-Opener tool, Adapted to Include Drugs (CAGE-AID)** – Conjointly screen for alcohol and drug problems
• **Relax, Alone, Friends, Family, Trouble tool (RAFFT)** – A five question survey to assess a patient’s alcohol and drug use
• **Drug Abuse Screening Test (DAST)** – A 28-item self-report sensitive screening instrument for the abuse of drugs other than alcohol
• **Alcohol Use Disorders Identification Test (AUDIT)** – a 10-item screener to assess alcohol consumption, drinking behaviors, and alcohol-related problems
• **Anticholinergic Calculator** – Use this calculator to determine the anticholinergic burden of a medication
• **Numeric Pain Rating** – Scale to give to patients asking them to make three pain ratings based on past 24 hours
• **McGill Pain Scale** – Questionnaire to evaluate a person experiencing significant pain
• **Pain Assessment in Advanced Dementia Scale** – Tool to evaluate pain in dementia patients
• **Doloplus-2 Scale** – Behavioral pain assessment in the elderly
• **Drug Interactions Table** – Drug Interactions Flockhart Table
• **Drug Interactions Checker** – Enter all drugs taken to check for potential interactions
• **Medscape** – A downloadable app to help get immediate clinical answers
• **Epocrates** – Medical reference app
• **Remove the Risk** – A safe opioid disposal toolkit created by the Food and Drug Administration

**Groups, Workshops, and Conferences**

• **Behavioral Health Groups** – Boise VAMC’s guide to behavioral health groups and workshops
• **Mountain West Child Life Association** – Provides educational and networking opportunities for Child Life professionals and programs
• **Harm Reduction Coalition** – Working group of needle exchange providers and advocates
• **Idaho Medical Group Management Association** – A professional association of medical practice administrators and managers throughout Idaho
• **Intervention 180** – Provides family, mental health, trauma, and adolescent interventions; provides transportation and sober companions
• Northern Idaho Conference on Alcohol and Drug Dependency – October 11 and 12, 2019 in Coeur d’Alene, ID
• North Idaho Rx Opioid Solution Symposium – October 10, 2019 in Coeur d’Alene, ID

Videos and Webinars
• Rural Health Clinic Technical Assistance Series – Timely and useful information on operation and policy issues specific to Rural Health Clinics
• Addiction Neuroscience 101 – Overview of the neurobiology of addiction
• Naloxone Use - How and when to administer naloxone
• Injectable Naloxone Instructions – How to use injectable naloxone
• Nasal Naloxone Instructions – How to use nasal naloxone
• Unpacking the 3 Minute Breathing Space – A breakdown of the 3 Minute Breathing Space
• Chronic State Documentary - A video on how marijuana normalization impacts communities
• Caring for Pregnant and Breastfeeding Women with Opioid Use Disorder – Webinar on June 11, 2019 at 10 am MT

Guidelines and Information
• CDC Factsheet and Guidelines – Guidelines for prescribing opioids for chronic pain
• CDC Opioid Guideline Mobile App – Designed to help providers apply the recommendations of CDC’s Guideline for Prescribing Opioids for Chronic Pain into clinical practice
• Drug Overdose Prevention Program – Information through the Idaho Department of Health and Welfare for first responders, providers, and patients
• DEA Diversion – Prevent, detect, and investigate the diversion of controlled pharmaceuticals from legitimate sources
• Stop Drug Abuse Informational Website – Educate families and the community about prescription drugs and potential consequences of misusing them
• Board of Medicine Complaint Form – File a complaint with the Board of Medicine
• Board of Pharmacy Complaint Form – File a complaint with the Board of Pharmacy
• **Qualis Health Medicare** – Compilation of resources for appropriate opioid prescribing
• **Idaho Syringe and Needle Exchange Legislation** – Legislative language of the Syringe and Needle Exchange Act
• **Idaho Good Samaritan Legislation** – Legislative language of Good Samaritans
• **Ethyl Glucuronide Test** – Using ethyl glucuronide in urine to detect light and heavy drinking
• **Buprenorphine Practitioner Verification for Pharmacists** – SAMSHA’s website to verify a practitioner’s DATA waiver using the last name and DEA registration number
• **Controlled Substance Public Disposal Locations** – The DEA website for public disposal locations
• **FDA Approved Drug Products** – Check to see if a drug is approved by the FDA
• **FDA Safety Information and Adverse Event Report** – Form to complete for the voluntary reporting of adverse events, product problems, and product use errors
• **Verbal Pain Descriptors Matched to Adjuvant Drugs** – PDF with verbal descriptors of pain and pain medications that may match the type of pain described

**Articles and Other Resources**

• **Opioid Metabolism and Effects on Cytochrome P450** – This review focuses on the effect of the CYP450 enzyme system metabolism on opioid agents
• **Opiate Metabolism Flow Chart** – Details the metabolism of opioids to aid in the interpretation of toxicology testing results
• **Opioid Metabolism** – This review describes the basics of opioid metabolism as well as influencing factors
• **Use of Low-Dose Naltrexone for Chronic Pain** – A review on low-dose naltrexone as an anti-inflammatory agent
• **Buprenorphine Myths and Realities** – New England Journal of Medicine article on buprenorphine
• **Improving the Quality of Buprenorphine Treatment** – New England Journal of Medicine article on moving addiction care to the mainstream
• **Harm Reduction Suboxone Education Handout** – Harm reduction and caring for patients with substance use disorder
• **Addiction Treatment Program** – A slideshow presentation on the Addiction Treatment Program from Dr. Lofgran at North Canyon Medical Center

• **CAPT Resources to Prevent the Non-Medical Use of Prescription Drugs** – SAMHSA handout on the Center for the Application of Prevention Technologies’ resources

• **Enhancing Motivation for Change in Substance Abuse Treatment** – A Treatment Improvement Protocol (TIP) by SAMSHA on motivational interviewing

• **Center for Evidence-Based Practices** – “Technical assistance for service innovations that improve quality of life and other outcomes for people with mental illness or co-occurring mental illness and substance use disorders”

• **Shatterproof** – A national nonprofit organization dedicated to ending the devastation of addiction

• **Timer Cap** – A pill bottle with a digital timer on the cap that shows the amount of time it’s been since you’ve last taken your pills

• **The ATMAN Approach to Managing Chronic Non-Cancer Pain without Opioids and Tramadol in Older Adults** – A look at managing chronic non-cancer pain without opioids

• **Prescribe to Prevent** – Information on how to start prescribing and dispensing naloxone

• **Naloxone Brochures** – Free informational booklets and brochures on prescribing naloxone

• **Washington PMP** – Check the Washington State Prescription Monitoring Program (not currently integrated into the PDMP)

• **Idaho Board of Medicine Policy for the Use of Opioid Analgesics in the Treatment of Chronic Pain** – Describes the Idaho Board of Medicine’s position on the use of controlled substances for pain, particularly opioid analgesics

• **Curriculum Infusion Package on Opioid Use Disorders** – Used for infusing OUD content into related curricula

• **Prescription Opioid Addiction Treatment Study (POATS) Training Materials** – Package of tools and training resources for substance use disorders treatment providers

• **Opioid Overdose Prevention Flyer** – Printable flyer created by the Boise Police Department that includes information on Narcan and the Good Samaritan Law
  - Flyer is also available in Spanish

• **Idaho Recovery Centers** – Find peer-based recovery support services
Books

- **Motivational Interviewing: Helping People Change** – A book for professionals and students on the four processes of motivational interviewing
- **Dreamland: The True Tale of America’s Opiate Epidemic Book** – A nonfiction book that looks into opiate use in America
- **The Deepest Well: Healing the Long-Term Effects of Childhood Adversity** – A book that looks at the negative impact of childhood trauma on the body
- **The Fifteen Minute Hour: Therapeutic Talk in Primary Care** – Family doctors can solve and prevent many psychological and behavioral problems by incorporating therapeutic talk into daily practice

Funding and Opportunities

- **MAT Grant for PAs 2019** – Eight, $1,200 stipends are available through the ISU PA program to incentivize community providers to obtain their MAT waiver
- **HRSA/BHW Loan Repayment for Providers in Rural Communities** – Up to $100,000 in Loan Repayment for Rural Substance Use Disorder Clinicians; accepting applications through 7/18/19
- **Naloxone Mini-Grant Program** – The Office of Drug Policy is offering this mini-grant program to help first responders and eligible agencies purchase and distribute naloxone kits.

Questions from ECHO

- **Prescribing Opioids to Commercial Vehicle Drivers** – A Board of Medicine perspective on “What are the legal implications for a provider knowingly prescribing hydrocodone for an individual who drives a commercial vehicle?”
- **A Physician Seeking Opioid Use Disorder Help** – A Board of Medicine perspective on “If the patient seeking care for their opioid use disorder is another physician, are there reporting requirements to the Idaho BOM?”
- **PAs and Supervising Physicians Obtaining MAT Waivers** – A Board of Medicine perspective on “If a PA has gotten their MAT waiver, does their supervising physician also need a MAT waiver in order to supervise them?”
- **What gives pharmacists the ability to prescribe naloxone?** – Idaho statute 54-1733B passed in 2015 allows “any health professional licensed...[to] prescribe and dispense an opioid antagonist.”
Patient Resources

Find a Provider

- Idaho Licensed Substance Use Providers – Find a substance use disorder or behavioral health treatment program
- Idaho Recovery Centers – Find peer-based recovery support services
- Opioid Dependence – Find a healthcare provider who is waivered to treat opioid dependence with Suboxone
- Buprenorphine Practitioner Locator – Find practitioners authorized to treat opioid dependency with buprenorphine
- Health Centers – Find a health center near you
- Get Help – Find treatment and support through the Health and Welfare website
- Certification Matters – Find out if a doctor is board certified
- Intervention 180 – Provides family, mental health, trauma, and adolescent interventions; provides transportation and sober companions

Medication Information

- GoodRx – Compare medication prices and discounts from over 60,000 US pharmacies
- Suboxone Savings Card – Eligible patients using insurance may pay as little as $5 each month for Suboxone film
- Patient Medication Assistance Programs from Allergan – Provides certain products to patients unable to afford the cost of their medication
- Medication Risk in Pregnancy – Resources for learning more about medication use during pregnancy
- Naloxone Information – Learn about naloxone, an opioid overdose reversal medication
- Naloxone Use - How and when to administer naloxone
- Injectable Naloxone Instructions – How to use injectable naloxone
- Nasal Naloxone Instructions – How to use nasal naloxone
- Controlled Substance Public Disposal Locations – The DEA website for public disposal locations
- Disposal of Unused Medicines – The FDA website about safely disposing medicines
• **FDA Approved Drug Products** – Check to see if a drug is approved by the FDA
• **Medicines Recommended for Disposal by Flushing** – A list of FDA-approved medications that can be disposed of through flushing
• **Timer Cap** – A pill bottle with a digital timer on the cap that shows the amount of time it’s been since you’ve last taken your pills
• **Opioid Counseling Guide** – A medication guide to help you understand your opioid prescription

**Self-Assessment Tools**

• **DIRE Questionnaire** – Patient selection for chronic opioid analgesia (inability to feel pain)
• **Pain Medication Questionnaire** – A 26 self-assessment questionnaire to help you assess the risk of opioid medication misuse

**Self-Management Resources**

• **Mindfulness-Based Stress Reduction** – A free online mindfulness-based stress reduction course
• **Leisure Resource Manual** – Find a variety of leisure options all over the state of Idaho
• **Self-Management Resource Center** – Interactive programs focusing on building skills, sharing experiences, and providing support
• **American Chronic Pain Association** – Peer support and education in pain management
• **Stress Free Now** – App to help you practice relaxation techniques
